President's Message

Presidents Message

Happy New Year to all!

I hope all of you have survived the festivities of the Christmas Season and were treated well by Santa. Nice to see the snow arrived in time for Christmas. It gave us a chance to get the snow blower or the new snow shovel out of storage and put to use!

What a great time of year looking forward to realizing new prospects and projects. We are working on getting the Reference Guide distributed to all. Please ask any of the executive or stop in at the designated offices for your copy.

Next month we will be having our Tabletop Show at the Holiday Inn – Feb 26th. Be sure to take in the displays and guest speakers. Bring a co-worker / colleague / friend along with you.

We have seen a few new members joining ISA recently. This may be your first Annunciator you will be receiving. This is one of our tools we use to communicate to our membership and if you have any questions or comments, please forward them to our newsletter editor or anyone on the executive. There is a busy few months coming to us with the General Meetings (Guest Speakers), Tabletop Show, Science Fair (Lambton College), District Leadership Conference – Saguenay, Spring Leader's Meeting, Awards Cruise/ Dinner, and more. I encourage all to ask questions and see how to get involved in ISA activities.

I wish all a happy and prosperous 2013 as continue to support automation and control of process in our community and beyond.
Sincerely,

ISA Sarnia Section President
Rob Dickson
