Pick-up in Sarnia at: *Lakeside Controls*, 581 Vidal St. S.
Wika, 1355 Confederation St.
Provincial Controls, 864 Philips St. E.

March's Message

Greeting everyone;

Our production of The Reference Guide to the Measurement and Control Market did get out early as expected, an excellent production. If you do not have a copy see one of your executive and he or she will get you a copy. We will bring some to hand out at the dinner meeting.

The next major events for the Section will be the Lambton County Science Fair (April 11), the District DLC (being held in Niagara Falls April 25-27) and then onto the AGM (May 26) where we will again be having a cruise down river for dinner. Hope everyone can make it as we are looking for a good turnout?

For Companies that have openings for students and full time Instrumentation type positions in sales, inside or outside etc. please let us know and we can post it for you. We know that we are always having members and students looking to better themselves in the work force and you just might have the perfect fit for each other.

As far as ISA is going we are still working on the Web upgrade and will be looking forward to the roll out. The steps for the new governance structure and rewrite of the ISA MOP's are already in progress and will continue until completion.

As most ISA members have seen this, it is the time to put in nominations for Society and local awards. Review your emails and see if anyone you know may fit the requirements for an award and then nominate him or her. It is an honour to be nominated and a special honour to be selected. Give it some thought.

Well that is enough for now. Looking forward to seeing everyone at our next dinner meeting on March 31st. Keep in mind that we are always looking for new members and volunteers for our Executive.

General meeting last Monday in January, March, May, September, November

January Speaker
Dr. Jeffrey Needham

Nominations for the ISA Honours and Awards,

The Fellow and Celebrating Excellence Award Program are now open. It is our 52nd year where by we honour those individuals and corporate citizens who have made significant contributions to the society and the automation community. The Celebrating Excellence program offers a variety of award categories to honour both technical accomplishment and service to the Society.

Nominations forms and complete description are available on line at <http://echo.4.bluhornet.com>

Lambton County Science Fair

We are calling on our members to volunteer in helping to judge at the Lambton County Science fair. This is a joyful event to witness what our younger generation are doing to understand the fun of science. It is a wonderful experience. Our donation are for the winners in the three categories plus a donation to the Lambton County Science Fair committee. Our guide lines is for any project that incorporates any instrumentation or any automation concept in its development. The Science Fair is held at Lambton College (Gym) on **Friday April 11 starting at 5:00 pm**. Please contact **Rob Dickson at 519-336-2405 (cell: 519-384-3336) e-mail: robd@specsarnia.com** Please help out, your time would be appreciated.

Our Annual Awards night is schedule for Monday May 26,2014

Keep this date open as we will be cruising down the St. Clair river to the River Crab restaurant. There will be a selection of menus and on the return trip we will be giving out awards. The price will remain as our normal meal prices . The beverage are extra. You will need to register your passport number and personal information and choice of menu at least 2 1/2 weeks prior to departure. You will be checked at both entry points. If you are interested please mark the date on your calendar. Come and enjoy some comraderie with your fellow ISA members.
Contact Rob Dickson (the keeper of the data) **e-mail: robd@specsarnia.com**.
