President's Message

Presidents Message

Greetings to Everyone

We find ourselves at the end of a challenging year. Our Annual General Meeting / Awards Night will be at the Sarnia Golf and Curling club on Monday, May 28th, with deserving companies and individuals receiving recognition for their efforts and support of ISA.

Entertainment will be provided at this meeting to please our members and their spouses, in the form of a Murder Mystery 50's theme! You are encouraged to wear your jeans and t-shirts, 50's style dresses (anyone got any Brylcreme???) Heyyyyy!!!

Should be some fun, make a plan to attend.

This year, we donated funds to our hospital to purchase a bedside digital monitor, support to First Lego Competition, Lambton Science Fair, Lambton College Open House and Student bursaries at Lambton College. We strive to promote Automation/ Instrumentation awareness and education in our area. If anyone is aware of groups that are working with instrumentation and need assistance or recognition, please give us a call.

We had some interesting speakers this year that drew many of our members out to participate at our General meetings. It is nice to have attendance of the meetings strong (30+) The Sarnia Golf and Curling Club as always prepared our meals to perfection. We are lucky to have nice facilities like this to hold our get-togethers.

At the beginning of May, we had 34 people come to Sarnia for the District Leaders Convention with District 5 and District 13 combining together to make an interesting and informative meeting.

It is good to meet new people and swap ideas on similar challenges facing our Society.

There was 12+ people who travelled from IL, MI, OH, NY plus over 20 from Que and ON. The Guildwood Inn was a great meeting place with accommodation for all. This meeting came in well under budget, and many ideas and information was shared between all.

Our executive is a prime example of quality people dedicated to the collective good of our association. Everyone did a great job in their respective chairs and it shows when we list the achievements obtained. We have a couple openings I wish to fill for the next year, as some will be making changes and leaving their position open.

Please contact me or anyone on the executive with your interest to offer a bit of your time / ideas to a traditional group like ours.

Sincerely,
Rob Dickson
