May Entertainer

Mat Gauthier started recording parodies at the age of 10 with guitar, keyboards, bass and drums. Throughout the years, Mat has built versatility in his voice by recording these parodies without realizing that it would eventually be the key to developing his voice for impressions.

Mat won the 'Rising Star' competition in the World Tribute Artist Championships. In 2005, he was chosen as one of the top two finalists at Canada's Great Impressions Contest, sponsored by the Comedy Network. Mat currently resides in Sarnia, Ontario. One thing that Mat can say is that he has never done the same show twice. He always tries to condition his show to the general age group of the event. He is overwhelmed by the tremendous response from people when the shows are finished. People tell him that they laugh so hard they cry. Elderly people have told him that they haven't laughed so much in 40 years. "When I hear people say that, I realize that laughter is simply not practised enough," says Mat. and he says, "My show is rated "G", so I can safely say that it is for all ages."

2 FOR 1 MEMBERSHIP RECRUITING AND REWARDS

To kick off the New Year, we have introduced a new membership reward and recruiting program. To all existing members, if you recruit (sign up) a new paid up member to our ISA Sarnia section the section will cover the cost of your and their meal at the next dinner meeting. This will give you the opportunity to introduce the new member in a social atmosphere to the rest of our membership. When you do recruit a new member, make sure to include your membership number on the application form and ISA will send you a Gift Certificate to be used for ISA merchandise, technical conferences, training courses, publications or standards. As a member you get two rewards when you sign up one new paid member. The reward for the new members, the Sarnia section will reimburse the cost of one year's membership fees, if you are joining for the first time and sign up for two years. Basically it is a 2 for 1 deal, where you can enjoy the benefits of membership for two years for this price.

President's Message

May's Message

Hi fellow ISA members;

Here we are again at our last member meeting of this Sarnia ISA Section year and this could well be my last year as President. It is also our AGM meeting where we vote on next year's executive, handout a few deserving awards and enjoy the entertainment. This year we will be having Matt Gauthier a singing impressionist entertain us . Sounds like a nice relaxing and enjoyable evening. I hope many of you participate. It has been a busy year for me as my goal was to finish clearing up a lot of loose ends on the business side of our Section. Our production of The Reference Guide to the Measurement and Control Market was and is an excellent production. If you do not have a copy see one of your executive and he or she will get you a copy. We have just completed the Lambton County Science Fair and had a very successful tabletop show. Our next event will be the District DLC, being held in Montreal on May 30 and 31st. On June 5th is our ISA Sarnia Section golf tournament please sign up and have a good day of golf with your peers, usually very good weather, lots of fun and laughs. Our section has been and will be represented in all of these activities. As always for Companies that have openings for students and full time Instrumentation type positions in sales, inside or outside etc. please let us know and we can post it for you. We know that we are always having members and students looking to better themselves in the work force and you just might have the perfect fit for each other. Our section Website "www.isasarnia.com" is being reworked and should be released shortly, please visit it and let us know what you think. We welcome any comments about our website. The ISA Societies MOP's have been rewritten taking in the new governance structure changes and will be out for viewing in the upcoming months. We are now putting together our executive for next year. If you have any interest contact any member of your executive and we will find you a position. Give it some thought.

Thanks you for all of your support and I look forward to seeing you at our AGM.
